About This Game

Gohan Quest is a humorous adventure RPG that takes place in modern Eastern Europe.

Key features

- Authentic and unique atmosphere of typical russian town.
- Anime girls VS harsh reality!
- Gotta find them all!
- Beat the shit out of criminals, bums, stoners, rabid stray animals, etc.
- Equip baseball bats, water pistols, soup ladles, laser pointers, fly swatters, valenoks, gas masks, and stuff.
- Heal with kebabs, kefir, kvass, ice cream and sunflower seeds.
- Advanced turn-based battle system
- Non-linear world exploration
- 7-10 hours of gameplay

Basically, Gohan Quest is a tribute to Earthbound, Undertale and other JRPG classics, but with its own style, plot and humor.
